Local Government

"Our implementation went very smoothly, better than we could have hoped for. The project team was available and attentive, thoroughly knew the process and pitfalls, and was able to work through issues quickly and completely."

David Knoll
IT Supervisor
City of Oregon City, OR

Software Development

"Our experience with Tangent has been fantastic – there is nothing nicer than working with good engineers who really know their product."

Anthony James
IT Manager
ZoomSystems

Education

I've worked with Tangent in multiple districts. They've always offered excellent service, and they've gone above and beyond in many instances."

Glenn Whitcomb
IT Operations Manager
Pasco School District #1
